## TEAM ENDURANCE SERIES

### Put Yourself in the Drivers Seat!

Enter the Jackson Speedway's Team Endurance races featuring 24 identically prepared hi-performance go-karts (IROC style). Your team can enter just one race, multiple races or even the entire 7 race series – your choice.

### How Does it Work?

Teams compete in a 225-400 lap go-kart endurance race at Jackson Speedway on any one of the five different tracks. Up to 24 teams can compete in each race. Each team must have 2 to 8 drivers.

### What do I need to bring?

Jackson Speedway supplies everything – go-kart, helmets, gloves and neck brace. You need to wear a long sleeve shirt, long pants and covered toe shoes (no sandals).
