

Jackson Speedway Youth Driving Camp

Jackson Speedway introduces a Youth Driving Camp (ages 9 – 16) every parent will want their child to attend. All the current race car drivers of today will tell you the best way to learn driving skills is by driving go karts.

Whether your child is interested in learning about racing go karts or your teen is getting ready to take driver's education, our driving camp will teach your son or daughter to control a car in all circumstances, including driving in all slippery conditions.

Our one day driving camp includes classroom instruction, driving etiquette, racing procedures, on-track instructions, including passing techniques, driving and skid control on our all new skid pad and actual competing on the track.

The one day camp is all inclusive. We supply the go karts, helmets and safety equipment. Drivers must wear long pants, long sleeve shirt and closed toe shoes. Lunch will be provided. Just \$100 for entire day of fun and learning.

The Youth Driving Camps are on Thursdays from 10 a.m. to 4 p.m.

June 23 – July 14 – July 21 – August 11 – August 25
